

## **Mobile Massage Team to Exhibit at Penjerdel Employee Benefits and Compensation Association (PEBA) 27th Annual Forum**

PHILADELPHIA, April 13 2009 -- The Mobile Massage Team ([www.mobilemassageteam.com](http://www.mobilemassageteam.com)), a leading provider of on-site seated massage services for corporate wellness programs, promotional events, and special affairs, today announced that the company will be exhibiting at the Penjerdel Employee Benefits and Compensation Association ([www.peba.org](http://www.peba.org)) 27th Annual Forum at the Philadelphia Marriott Downtown, Wednesday, April 22, 2009. Team members will be set up on site to give chair massages to participants throughout the trade show.

From the reduction of stress and anxiety, to the improvement of blood circulation and pain reduction, the benefits of massage therapy are widely documented.

However, in today's fast paced, high tension world, the majority of individuals do not have the time or resources available for intensive and expensive captive spa services.

The Mobile Massage Team on-site seated massage service platform offers a new and unique paradigm in bringing these benefits to all individuals in an efficient and cost-effective manner, inside or outside of the workplace.
