

Mobile Massage Team to be a Sponsor at 7th Annual Yoga Unites® for Living Beyond Breast Cancer

PHILADELPHIA, May 15, 2009 -- The Mobile Massage Team (www.mobilemassageteam.com), a leading provider of on-site seated massage services for corporate wellness programs, promotional events, and special affairs, today announced that the company will be a sponsor at the 7th Annual Yoga Unites® for Living Beyond Breast Cancer (<http://www.lbbc.org/>) held on Sunday, May 17, from 8:00 a.m. to 12:00 p.m. on the steps of the Philadelphia Museum of Art. Team members will be set up on site to give chair massages to participants throughout the event with proceeds going towards the organizations fund raising initiatives for breast cancer education and support.

From the reduction of stress and anxiety, to the improvement of blood circulation and pain reduction, the benefits of massage therapy are widely documented.

However, in today's fast paced, high tension world, the majority of individuals do not have the time or resources available for intensive and expensive captive spa services.

The Mobile Massage Team on-site seated massage service platform offers a new and unique paradigm in bringing these benefits to all individuals in an efficient and cost-effective manner, inside or outside of the workplace.
